LORI LITTLE

I have been involved competitively with dogs for the last 15 years.

My first dog being a Golden Retriever managed to show me how much fun we could have in all sorts of venues. My heart is always with hunt work, although you can find me in the obedience ring, draft trial or tracking test just as easily.

I enjoy watching, judging and competing with the different breeds of retrievers that we see in our hunt tests.

Good luck to all, and enjoy your time with your dogs.
