

**Flat-Coated Retriever Society of Canada
National Specialty 2012 Judge
SHERRILL SMITH**

I've owned Golden Retrievers since 1984 and became hooked when I entered my first Golden in his first obedience trial Novice A class and earned a high in trial.

Over the years I've put titles on my dogs in obedience, field (hunt tests and WC/I/X), tracking, conformation, draft, and even a herding instinct certificate on one of my males.

My life with dogs has garnered many good friendships, lots of wonderful memories and the great satisfaction of training and spending time with the terrific dogs that have come to me over the years.

I am looking forward to judging at your Specialty working certificate test.
